Welcome to Switzerland!

Dear athletes, ladies and gentlemen

For the first time in the World Cup history we are organizing the final of a series of Sprint Relays in international orienteering. Even it's titled as the unofficial IOF Relay World Cup for this year, we hope to see a very exciting event in Basel and are looking forward to organize this special event.

After the relay, the athletes will run the last two international races of the year in and around Liestal. We hope, you will all enjoy the small old town centre with its famous "Törli", the town gate with a history that goes back to the 13th century.

You are warmly welcome to Switzerland!
