# Welcome!

Ladies and Gentlemen, dear Athletes

The 1<sup>st</sup> Swiss Cup 2004 in Rüti near Rapperswil was a big success. Four world orienteering champions were challenged by 65 international athletes and delivered an exciting sprint race in front of a big crowd of cheering spectators. One could feel the tensing spirit of a top elite orienteering event amid the competition area enjoying a professional event service.

Together with our main sponsor PostFinance we have decided to further strengthen and also to rename our world class orienteering event to be called **PostFinance Sprint**.

The proven concept shall stay the same: a middle distance race in technically demanding terrain is the qualification race followed by the PostFinance Sprint Final, a city sprint race "à la Rapperswil". The qualification race 2005 is an IOF World Ranking Event as well as one of the official trial qualification races of the Swiss National Orienteering Team for the World Orienteering Championships 2005 in Japan.

It is an honour and our pleasure to invite the best orienteering athletes of the world to participate in the PostFinance Sprint 2005. It is our challenge to organise the PostFinance Sprint 2005 as an exciting and thrilling event, following the high standards that the World Champs have set in 2003. In order to allow the world's best athletes to participate in the PostFinance Sprint 2005 we offer attractive invitation packages including free of charge participation and prize money for the winners.

The PostFinance Sprint 2005 will be followed by the Junior World Orienteering Championships 2005 and the public races, the 5 Giorni 2005. All in all a fantastic week of action, excitement and fun with orienteering sports.

We are looking forward to welcome the world orienteering elite in Switzerland and hope to see you soon.
